## FALL - OPENING ISSUE

# New High in Activity As Club Begins Seventh Season

## First Unit of Club Subdivision Being Readied

Bulldozers will soon be leveling the streets and preparing the way for utility lines in the property immediately adjacent to the Clubhouse according to Mr. Robert Meyler, President of the Corporation and Chairman of the Real Estate Committee. Plot plans are now being processed by the Riverside County Planning Commission, and within several weeks the physical work will begin, which will add so much to the Club in particular and Palm Desert, in general.

Mr. Meyler pointed out that the 55 lots in this new development would be of prime value because of their close proximity to the Club, and he expressed his confidence that they would be quickly spoken for by the increasing tide of those who want to enjoy the advantages of desert living. With the new Golf Course encircling the Clubhouse, the lots in this first Unit will have the advantages of an estate or park development and their owners will be able to enjoy desert life at the finest.

## New Apartments Being Erected on Club Grounds

A new facility to serve the constantly increasing demand for living accommodations near the Club was announced this week by Ned Blades and Gene Roberts. Shadow Mountain Manor is the name of this welcome new addition to Palm Desert and as Ned says, it is located "just a nine-iron shot" from the first tee of the New Golf Course. Eight units will be built around a swimming pool and refreshment area. Each unit will have 2 bedrooms and 2 baths and be so constructed as to be divided into two separate living quarters if desired. The units will be sold, land and all (no lease) and the purchaser may either occupy the house wholly or in part, and use the unit as rental property exclusively.

Ground will be broken on this new construction in a very short time, according to Blades and Roberts; and its completion will further enhance the steadily widening circle of houses which have their center on your Club and its activities.

## New Golf Course To Encircle Club

One of the nation's finest golf course architects, Lawrence Hughes, furnished the plan for the new nine-hole pitch and putt golf course and construction is now in progress. The layout will completely surround the Clubhouse in a broad carpet of green. Through Mr. Hughes' architectural projections, the Club will be able to add improvements from year to year, yet at the same time preserve the integrity of the original plan.

A beautiful new putting green is planned for the front of the Clubhouse. It is proposed to light this area so that it will be a welcome addition to the evening activities of the Club.

The Golf Committee is very grateful to Johnny Dawson, one of the nation's top golfers and our neighbor at Thunderbird Country Club for interesting Mr. Hughes in our golf program. Although he has designed some of the nation's top courses, and is currently engaged in several new projects, Mr. Hughes has given liberally of his time in consulting with the committee and incorporating their suggestions into his final design. ## Sixth Annual Luau Tremendous Success

### Believe It? Read On!

Summer really came to Palm Desert and The Shadow Mountain Club in dramatic fashion. To greet the new season a charming Tahitian party was held on the evening of May 22. All in attendance—and there were 500—will agree that it was an outstanding affair. If you were not present, you should certainly make the next one *a must*. Attending were many members and guests from surrounding desert resorts, as well as those from Los Angeles and Coast-line cities. The costumes were exciting and extremely colorful.

The colored lighting of the pool and its surroundings, the palm-covered umbrellas, flowers, banana clusters—all helped to give the guests a feeling of authentic Hawaiian atmosphere. Thanks to Tom Parker, Lou Kuehner and Jean Hanousek the entire grounds were a picture of loveliness, and the younger members of the Club are to be thanked for their efforts also.

How could Dan Beers and his crew prepare 720 lbs. of pork, 740 lbs. of fruit (bananas, pineapples and coconut), 50 lbs. of rice, 210 lbs. of fish (salmon, shrimp and lobster) you ask! That is something we cannot understand either but perhaps we were never meant to be cooks.

The entertainment, following the dinner, was furnished by Max Reid and his group of radio and television artists, all jolly and humorous — the dancing to the strains of their orchestra, kept many of the youths and a few oldsters, whirling over the floor until the early morning hours.

The success of the evening was due to the efforts of many people, but especially to the fine experienced hand of Ray Stager who had all the right answers for whatever problems seemed to arise.

### NEW GOLF COURSE

(Continued from page 1)

The new course should be ready for play by November 15.

The golfers in the Club will find a great deal of enjoyment in this new test of their skill and the general membership will be impressed by the marked improvement in the landscaping of the Club caused by the beautiful green border.

### RESERVATIONS NEEDED

It will be the policy this year to honor and assign tables in accordance with the order in which they are received. Tables are numbered and No. 1 reservation will be assigned to No. 1 table, etc. Strict compliance of a new rule against tipping for table preference will be enforced.

Reservations will be limited to the capacity of the dining room and guest cards will not be honored until members are accommodated. We suggest that you make reservations early to avoid disappointment. The management wishes to point out that overcrowding, while it might serve to please a few late comers, is detrimental to service and unfair to the large majority.

## Hal Pruden's Band For Opening

That ever popular, hard working gentleman at the keyboard, Hal Pruden, and his fine musicians will make their 1954-55 debut here on Saturday evening, October 23. This is a date to red-pencil on your calendar right now for it is the time selected for the *Informal Opening of the Shadow Mountain Club Fall and Winter Season*. There will be entertainment, and as this is traditionally a well attended affair, early reservations are suggested. An excellent dinner will be prepared under the supervision of our noted Chef George Hartman, and service will be well handled by Maitre d' Frank Constant. \$5.00 includes dinner.

• • •

### Hallowe'en Hassel

All spooks, goblins, and witches will g-r-a-v-e-l-y note that the "How Spooky Can You Get?" crowd will gather here Saturday eve, October 30 for a dinner-dance. Off-the-menu dinner will be served. Fun galore and prizes for best costumes. Reservations, please.

## Notes on Club Personnel

**DON HUGHES**—Assistant Manager, will soon return for his 7th Season after spending a delightful summer at Cozy Canyon Ranch near Scottsdale, Wyoming.

**MARVIN MATTHIAS**—Club Comptroller, with his wife and son, enjoyed a vacation in Santa Monica as well as a few side trips to Idyllwild.

**CHARLOTTE ZUNDEL**—Pinchhitting for Don Hughes these past Summer evenings, enjoyed her vacation at the close of September visiting Sequoia National Park and San Francisco Bay Area. She's back on duty as Membership Secretary.

**FRANK CONSTANT**—Maitre D' deluxe is back with Shadow Mountain Club after a flying trip to Cleveland, Ohio—and a visit to the San Francisco Area.

**VIVIAN BERKHEIMER**—Popular Club Secretary is at her desk again after a brief vacation in San Bernardino and Long Beach.

**TOM PARKER**—Chief of Grounds and Maintenance, saw Virginia City, Carson City and stayed a while at Lake Tahoe for his summer break. He is back again with the work on the new Golf Course as his main project.

We are proud to announce that the noted Chef, **Mr. George E. Hartman**, will be at the head of the Club's culinary department beginning the middle of October. Mr. Hartman has been chef at the Hotels Huntington and Green in Pasadena for many years. Everyone who has sampled his food has said "WON-DE-RFUL!"

With all the expanded activities of the Club, it was felt wise to have a special person assigned to membership and promotion. He is **Ed McKanna**, who has been identified with the commercial and civic life of Los Angeles for twenty years. Ed will be industriously telling the story of Shadow Mountain Club to everyone he can but he will appreciate the cooperation and help of the members. Each new member who joins the Club adds to the attractiveness for the present membership, and our friends sometimes only need to be asked in order to make application to join.

**LUDWIG LEHMAN**—Club Steward, enjoyed a brief stay in Santa Monica and Los Angeles Area, but hurried back to get the Club well-stocked with food and drink for the coming busy months.

**RAY STAGER**—Club Manager, has been on deck the last six months and has just completed the extensive re-furnishing which will make the Club even more attractive. Ray has been in the Club and Hotel business for thirty years in California, the Midwest and Florida. He says he prefers Palm Desert to any place he has ever lived—and to prove that he really means it, he and Mrs. Stager seldom leave the Desert, preferring to spend their free time exploring desert trails, and playing golf and tennis at SMC.

He feels that Shadow Mountain Club is a "Natural"—such a perfect Club and in such a beautiful setting. His goal—to spend the rest of his days here.

HARRY HOLT, Associate

The announcement this week of the new Quarter Horse Racing Establishment at Palm Springs further emphasizes the strategic location of the club for those who wish to enjoy desert living at its fullest and finest.

Each month more and more people are "discovering" the desert. The trend to the suburbs has been an established fact for a number of years. Now the extension of the freeway system, coupled with the secondary road program of the California Highway Department is causing many metropolitan dwellers to realize that they can enjoy a restful, healthful kind of living which they almost despaired of in the city.

The pioneers of Palm Desert (1 year or more) extend a hearty welcome to their less favored friends to come down and pay us a visit. But beware, the most enthusiastic desert fans are those who have just had their initial exposure.

## Popular Couple Sparks Tennis Activity

Tennis is a major activity at the Club and its popularity has been heightened because of the energetic work of our Club professional, Vini Rurac and his lovely wife Magda, who plays a mighty sharp game herself. In fact Magda won the U. S. National Clay Courts Championship in 1949 and 1950 before turning professional.

Vini was the Champion of Roumania and was only allowed to leave the country in order to play at Wimbledon. Because of close supervision there by Roumanian Secret Police, he and Magda were unable to escape. However, when the tournament schedule took them next to Paris, they were able to outwit their "protectors" and ultimately made their way to the United States.

Both Vini and Magda served as professionals at Eastern Clubs during the Summer, but at the opening of our Season, Vini is back giving lessons and sparking the Club's tournaments.

He inaugurated the Pro-Amateur

Tennis tournaments in the Coachella Valley and also holds tennis clinics for the youngsters.

This year Club trophies will be given for the Champions in Men's Singles, Women's Singles and Mixed Doubles competition. In addition, the regular Thursday night round robin tennis tournaments will be continued until the desert air becomes too cool.

## Western Program Planned

Attendance at the weekly square dances was disappointing last season and there was some feeling that they might be discontinued. However, we feel there are still many who would like to attend if they were held less frequently. Also, more people would come to observe the colorful dancing. It has therefore been decided to hold them on a once-a-month basis this season and the date chosen is to be the last Monday in each month beginning November 29.

## BOARD OF DIRECTORS

Many people have contributed to the dynamic forward program of the Club for the New Year, but none have worked more energetically and faithfully than your Board of Directors during the last several months. In order that they be better known to the Membership their names are listed below:

Robert G. Meyler, President  
J. N. Moon, 1st Vice President  
Tom Brown, 2nd Vice President  
L. H. Keightley, Secy.-Treasurer  
Frank P. Atha

## Why Register?

Although the club has always had a rule asking members to register upon entering, this requirement in the last twelve months has been more honored in the breach than in the observance. With the start of our Fall season the young ladies in the office have been asked to solicit the active cooperation of all members in this regard. This is so that the club may render greater service to its membership. Many calls are received during the day asking if a certain person is at the club. Long distance phone communications are sometimes missed because the club person accepting the call was not at the desk when the member arrived. All such difficulties can easily be resolved by keeping the registration list up to date and complete. Thank you for your cooperation.

## S.M.C. FOOZLE GOLF TOURNAMENT

(as reported by Aletah Quick))

"Foozle" golf highlighted Ladies' golf day at Shadow Mountain Club. It was difficult to decide which was the goofiest — the golf or the garb. Planned by the day's Chairmen, Madames Kruescher and Ives, the theme was "goofy golf in goofy garb." Even Hogan would have been hard put to putt through waving balloons into a hole on the green's edge or to sink a ball with one hand while holding an umbrella in the other. It would have been interesting too to see the Bantam make a drive through an old tire, over a tennis net at ten yards or while standing on a box. The foozling was followed by the monthly luncheon at which prizes were awarded for garb and golf.
